MUSIC CLUB ENTERTAINS

Greeted to a Large Audience at Christian Church Monday Evening

The Anadarko Music Club entertained a full house at the Christian church, Monday evening. Mr. Marianelli gave the speech of welcome and explained the object of this club as being the city musicians wishing to make a thorough study of the authors of the various nationalities. From this study a very interesting program was rendered.

The opening number "A Song of College Days" by Messrs. Marianielli, Falt, Mitchell and Ballinger was followed by a solo, "The Gypsy Trail" by Miss Romick. Zanza Overture by Mrs. Carter and Miss Franz, Ernani Inuiani, by Mrs. Lawrence, A Warrior Bold, by Kenneth Mitchell, Instrumental "Souvenir de Trovator" by Miss Gasper, The Ranchero, by Misses MoRae and Pfaff, "The City of Rachel, by Mrs. Singer, The Flatterer, by Misses Nathan and Ballinger, "Danny Deever" by Howard Falt, Rhapsodie Hongroise XI, by Mrs. Mitchell, "O That We Two Were Maying" by Mesdames Lawrence and Slinger. The last but not the least "Hail Bright Abode" by the club. The lovers of music thoroughly appreciated the entertainment and wish the music club success.

Cleopatra At Nusho

The Nusho will put on a six reel feature film, tonight, entitled "Cleopatra", featuring Helen Gardner. This is a good picture, which everyone should see.

APACHE THIS TIME

Earlier in the season, the Anadarko High School boys' Basketball team went to Apache and tackled a team of veterans in the game and experienced a defeat. The score was close, however, and since that time our boys have practically "made their team." The two teams will clash again on the Anadarko court, next Friday night Jan. 30, and something interesting will result.

There will also be a girls' game. Their opponents will be announced later.

This will be the last game on the local court for several weeks. The home games will give way to the Interscholastic Debate and other events. There will probably be some games away from home, also.

The crowds attending these games are larger each time. It seems that every one who becomes acquainted with the game, becomes a strong supporter of it.

Walt Ellison made a business trip to Lookaba, Tuesday.

Charles Ludwick of Ft. Cobb, was in the city, Tuesday, on business.

DELIVER MAIL ON SKATES

Postoffice Clerks Now Use Them In The Windy City

The postoffice clerks in Chicago are now equipped with roller skates for both in door and out of door use in carrying the United States Mails. The post office check room is in the basement and has a clear stretch of concrete floor space 300 feet long. Here the clothing, uniforms, hats and shoes of 1,400 clerks are hung and the running back and forth amounts to several miles a day. It is found that this enables the clerks to do their work one third quicker. The parcel post carriers are now seen delivering their packages on roller skates.

Wanted—Girl at once, housework. Good pay to right one. Call phone 157, Dr. O. E. Black.

F. M. SHEETS FOR SHERIFF

The name of Frank M. Sheets of Jefferson Township, is very prominently mentioned for Sheriff. Acquaintances of Mr. Sheets know he is the right man for the office and efforts are being made to have him announce for the coming Democratic Primary.

One of the best citizens and has lived in Jefferson Township since the opening of the country. No one would question his fitness and ability to fill the office and the Democrats could not find a better man to nominate.

TWO FIRES

The fire department was called out Monday evening at 8-05 o'clock in the Farrington Elevator where a small fire was started from hot cinders and ashes which had been thrown out near there. Very little damage was done.

A cafeteria social with plenty of music throughout the evening has been planned by the Ladies Social Union of the Presbyterian church, the affair to take place next Friday evening at the church hours 8 to 10.

The "eats" will be the main attraction as they will be served as a color scheme, a white table, a yellow table, a pink table and other colors that good things look and taste good upon, will be provided. The ladies have been careful to eliminate all eatables in the blue line, so that no visitor attending need have any fear of contracting an attack of the blues while dining. A general invitation is extended to all.

Anadarko High School Enters Debate Field

The local High School is becoming interested in one more field of school of activity. In this the boys of Anadarko High School will test their ability in debate in competition with the boys of other city High Schools.

A league of high schools for the purpose of debate has been formed, and it is the intention by a system of contests to determine the champion team of the state.

The first debate in which Anadarko will take part will be the Duncan High School. The contest will be held in the Auditorium of the Anadarko High School Friday night Feb. 6.

The Duncan High school will send a team of three boys to debate against a team of three representing our high school.

The question for debate and the personnel of the teams will be announced later.

This is a most laudable movement and will unquestionably receive encouragement and support of every patron.
